

# THE CRACK:

October '06

**Head Like A  
Kite  
Random Portraits  
Of The Home Movie  
(Pattern 25)**

You may think you're rushing headlong into experimental hell if I start bandying words around such as "trip-hop" "amalgamated" and "krautrock", but this is a fairly coordinated set of fuzzy songs which do indeed straddle such genres with no little care and attention. Think Four Tet with more tunes.
